# Suspension and Disqualification Periods for Drivers with Commercial Drivers Licenses (CDL)

**Operating commercial motor vehicle with an alcohol concentration of at least .08%.**

**CDL disqualification**

If no prior DUI/APC-
**One year commercial disqualification.**

If record shows a prior DUI/APC or any other disqualifying offense-
**Commercial disqualification for life.**

**Suspension of <u>all</u> driving privileges**

Alcohol concentration at least .08% but less than .18%:

1st offense within 5 years-
**91-day suspension;**
2nd offense within 5 years-
**365-day suspension;**
3rd offense within 5 years-
**2-year suspension.**

Alcohol concentration at least .18%:

1st offense within 5 years-
**180-day suspension;**
2nd offense within 5 years-
**2-year suspension;**
3rd offense within 5 years-
**3-year suspension.**

**Refusal to submit to testing in a commercial or non-commercial vehicle requires disqualification for one year or, if the record shows any prior disqualifying offense, for life.**
