FOR PEOPLE JOINING MEETING VIA CONFERENCE CALL

Audio-only conferencing

To join the audio portion of an AAC7 meeting using a conventional desk or cell phone, you would follow these steps:

1. Dial into the Audio Bridge at **701-328-7950** (other local AUDIO ACCESS numbers below). You will be presented with a series of Voice Prompts.
2. "Please enter your collaboration (participant) code **179478** followed by the pound (#) key."
 - a. If you are a Participant only, enter your Participant Code followed by the # key.
 - b. If the Moderator has not yet joined the conference, all participants will hear "hold" music until the Moderator joins the conference.
3. Please mute your phone during the meeting. If you have a question, we encourage you to unmute and ask at any time.
