

# Summary of Consulting Firms

## North Dakota Technical Certification Program (TCP)

The following information is list of firms currently believed to be operating in North Dakota and that have one or more employees on staff that hold certification in at least one of the following areas: aggregate testing, asphalt mix testing, soils field testing or concrete field testing.

Firm and contact information is believed to be accurate as of the date printed, though it is not guaranteed.  
Please verify.

To request a correction or addition, please send an email to [dotmaterials@nd.gov](mailto:dotmaterials@nd.gov) with details of the requested change.
