OVERVIEW

The Aggregate and Asphalt Renewal course covers the first requirement for five year renewal for Aggregate Tester and Asphalt Mix Tester and all requirements for the Asphalt Mix Controller certification.

Asphalt Pavement Inspection Renewal course covers the five year renewal requirement for Asphalt Pavement Inspectors.

Classes are intended for individuals that have actively been involved in the construction industry within the last five years. They do not provide a re-education of all topics included in original courses. Individuals that have **not** had the opportunity to work in their certification area may elect to repeat the full course.

All tester certifications require a performance exam every five years. This is not included in the classroom session.

COURSE SYLLABUS:

- Brief Review of Original Course Materials
- Specification Updates and Additions
- Test or Procedure updates
- Common Testing Errors
