Westbound I-94 open to two lanes at overpass bridge 20 miles east of Bismarck

Westbound I-94 at mile marker 179 is now open to two-lanes of traffic after an incident at the McKenzie overpass bridge. The overpass bridge on county road 275th Street NE will remain closed until repairs can be made to the bridge. This is an overpass bridge located between the Sterling Interchange at exit 182 and the McKenzie Interchange at exit 176 on I-94.
