SHEET 47

Description:-

Being a strip of land 66 feet wide, being 33 feet wide on each side of a center-line described as follows:

Beginning at a point in the north line of section 25, T.136N., R.77W., 322.4 feet west from the northeast corner of said section 25; extending thence along a tangent, bearing S.54°09'E; a distance of 198.4 feet; thence southeasterly along a 15°00' curve to the right, and tangent to said above described course, a distance of 363.4 feet to a point in the east line of said section 25;

Excepting therefrom, however, such portions thereof as lie within 33 feet of said north and east section lines:

Said strip of land comprising 0.55 acres, more or less.
