Traffic to be detoured Friday at the Buffalo Interchange

Construction on the Buffalo Interchange continues and on Friday, August 7, at 5 a.m. traffic at the interchange will be affected due to a deck pour on the structure.

During the deck pour:

- West bound lanes will be closed and traffic will be detoured onto the north ramps
- Traffic will be detoured for approximately 3 hours
- Flaggers will be present for traffic control

Rear-end crashes are the most common in work zones. Motorists are encouraged to allow extra distance between their vehicles and the vehicles in front of them, use extra caution, and obey flaggers and posted signage.
