Construction to begin September 8 on I-94 east of the ND 25 Interchange

Construction will begin September 8, on I-94 from east of the ND 25 Interchange to the west side of the Mandan Ave. Interchange. The construction will affect the eastbound and westbound roadways.

During construction:

- The speed limit will remain at 60 mph from the east end of the project to west of the Sunset Drive Interchange and then increase to 65 mph to the west end of the project
- Speed limit will be reduced to 40 mph in the work zone
- Traffic will be restricted to one lane in both the eastbound and westbound roadways
- The ramps on the Sunset Drive Interchange will be narrowed to 1/2 their width
- Flaggers will be on site to direct traffic
- Minimal delays are expected

Motorists are encouraged to reduce speeds in the construction zone. The project is expected to be complete by mid-September.
