North Dakota Highway Patrol seeking information on damage to light fixtures on Expressway Bridge

The North Dakota Highway Patrol (NDHP) is seeking information about an oversized load that was traveling westbound on the Expressway Bridge between Bismarck and Mandan between 9 a.m. and 10 a.m. The vehicle damaged several light fixtures on the bridge.

If you have information, please call 328-5590.

Motorists are encouraged to use alternative routes. Repairs are being made to the fixtures and the bridge is expected to open later this afternoon.
