**US Highway 83 near Junction of Hwy 23 to be closed briefly  
October 29 for movement of crane**

As part of the Prairie Winds wind turbine project, a portion of US Hwy 83 just south of the Junction of ND Hwy 23 (near mile marker 182) will be closed for movement of a crane across the highway. The closure is scheduled to take place between the hours of 2 a.m. and 4 a.m. on Thursday, October 29.

Traffic should expect delays of up to 20 minutes or more as the crane crosses the highway. Flaggers will be on site to control traffic.
