Hay Bales need to be removed from ND rights of way by November 1

All hay bales on North Dakota rights-of-way, must be removed by Sunday, Nov. 1. Hay bales remaining on rights-of-way after November 1, will be removed as directed by the District Engineer. The bales need to be removed for snow management and safety reasons.

North Dakota Century Code prohibits hay from being placed in the right-of-way except on the outer edge. Large round bales must not be placed on inslopes or within 60 feet from the outside edge of the driving lane.
