Construction begins Monday, April 16 on I-94 between Dickinson and Taylor

Construction will begin on Monday, April 16 on the westbound lane of I-94 between Dickinson and Taylor. Work consists of pavement reconstruction and regrading.

During construction:

- Traffic will be rerouted onto the eastbound roadway
- Speeds will be reduced to 65 mph
- A 16 feet width restriction will be in place
- Flaggers may be present
- Motorists should watch for trucks exiting and entering the highway

The project is expected to be complete this fall.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
