Construction begins Monday on State Street in Bismarck

Beginning Monday, July 9, construction work will begin on State Street from the south ramps of Exit 159 to Calgary Avenue in Bismarck. Work consists of concrete pavement repair.

During construction:

- One lane of traffic will be closed in each direction
- Speeds will be reduced
- Motorists may experience delays
- Motorists are encouraged to watch for trucks entering and exiting the work zone

The project is expected to be complete in early September.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
