Road tests once again being offered at Bottineau, Rugby, Rolla, and Harvey Drivers License sites

The North Dakota Department of Transportation (NDDOT) is once again offering the behind the wheel road tests for Class D driver's license at the Drivers License sites in Bottineau, Rugby, Rolla and Harvey. The Department suspended road tests over the summer to train new examiner staff. That training is now complete and full services are once again being offered.

Appointments for road tests can be made online at <http://www.dot.nd.gov/public/licensing.htm> or by calling toll free 1-855-633-6835. Drivers License site locations and contact information can be found at <http://www.dot.nd.gov/divisions/driverslicense/docs/1042.pdf>.
