Construction begins on ND 20 near Devils Lake

Construction will begin Wednesday, September 19, on a portion of ND 20 from the junction of US 2 to the Devils Lake dike. The project consists of an overlay to improve the roadway surface.

During construction:

- Speeds will be reduced to 30 mph in the work zone.
- The roadway shoulder will be utilized as a temporary driving lane. Work will shift as the project progresses.
- A width restriction of 11 feet will be in place.
- Fresh oil may be present.
- Flaggers will be present directing traffic.
- Motorists should watch for trucks entering and exiting the project site.

The projects is expected to be complete mid- October.
