Traffic signals installed on US 2 intersections in Williston area

The North Dakota Department of Transportation has installed traffic signals at the following intersections in the Williston area:

- Intersection of US 2 and County Road 1 west of Williston, and the intersection of US 2 and County Road 6 north of Williston, for access to the temporary northwest bypass. The signals on County Road 1 are currently operational. The signals on County Road 6 will be operational today.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
