Southbound U.S. Highway 2/85 to re-open to two lanes north of Williston

The North Dakota Department of Transportation (NDDOT) will re-open the southbound lane of U.S. Highway 2/85 north of Williston to two lanes of traffic today. Traffic was reduced to one lane in each direction on US Hwy 2/85 for a construction project which included placement of concrete to enhance the system for increased traffic needs. A majority of the work has been completed. Traffic may be redirected in some portions of the roadway due to ongoing construction work.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
