Additional traffic signals to be installed on US 2 intersections in Williston area

The North Dakota Department of Transportation will be installing traffic signals this fall at the following intersections in the Williston area:

- Intersection of US 2 and 1804 west of Williston. This project will be completed by the beginning of December.
- Intersection of US 2 and County Road 1 west of Williston, and the intersection of US 2 and County Road 6 north of Williston, for access to the temporary northwest bypass. Work on the underground portion of the signals is under way. The signals will be installed by mid-October.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
