Construction to begin Monday US Highway 281 north of Churchs Ferry

Construction is scheduled to begin Monday, May 13, on US Highway 281 north of Churchs Ferry to Cando. This project consists of pavement overlay, rumble strips and new pavement marking. Motorists can expect delays when traveling through this project.

During construction:

- A pilot car will be utilized to control speeds
- Flaggers will be present
- Motorists can expect delays of up to 15 minutes
- An 11-foot width restriction will be in place
- Oil may be present on roadway

Work is to be completed in July.

Help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.
