Water near edge of roadway on Highway 200 west of Hurdsfield

The North Dakota Department of Transportation (NDDOT) is reporting water near the edge of the westbound lane of ND Hwy 200 four miles west of Hurdsfield (mile marker 250). Speeds are reduced to 25 m.p.h. through this area. Motorists are advised to slow down and use caution as vehicles that leave the roadway may become immersed in water.

NDDOT encourages motorists to check road conditions before traveling. For updated road information, call 511 from any type of phone or go to the Travel Information Map on our website at www.dot.nd.gov.
