ND Highway 5 and 18 in Cavalier now open to traffic

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have opened ND Highway 5 and ND Highway 18 into Cavalier.

The following roadway remains closed due to flooding:

ND Highway 18 at Neche due to water over the roadway. Motorists must use an alternate route.

The following highways are affected by flood waters, but remain open to traffic, with traffic speeds reduced:

- ND 200, two miles east of Bowdon
- ND 200, westbound lane four miles west of Hurdsfield

Fluctuating water levels make it difficult to predict when and where water will go over a roadway or recede from the roadway. The NDDOT encourages motorists to check road conditions before traveling due to rapidly changing conditions. For updated road information, call 511 from any type of phone or go to the Travel Information Map on our website at www.dot.nd.gov.
