## **Emergency Grade Raise work taking place on US 83 north of Max**

Beginning by tomorrow, emergency grade raise project will be taking place in the northbound and southbound roadway on US 83, nine miles north of Max. Water is currently on the roadway at this location with traffic speeds reduced.

During the work:

- Traffic will be reduced to one lane
- Speeds will be reduced
- Motorists may experience delays
- Flaggers will be present at times

The work is expected to take several weeks to complete.

Help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
