Construction underway on ND Highway 23 near New Town

Construction is underway on ND Highway 23 five miles west of New Town. This project consists of paving work and shoulder widening.

During this period:

- Speeds will be reduced
- A 12-foot width restriction will be in place
- Traffic will be head to head at times
- Flaggers will be used
- Drivers should expect minor delays when traffic is reduced to one lane

Work is to be completed in August.

Help prevent work zone crashes. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info-v2/>.
