NDDOT announces winner of 2013 Teen Driving Safety Contest

The North Dakota Department of Transportation (NDDOT) announced the first place winner of the fourth Annual ND Teen Drivers Traffic Safety Contest today. Lucas Ensign from Dickinson High School was selected as the winner. Ensign designed a billboard enforcing the message of seat belt safety that will be featured on web banners, posters and other media throughout the western part of the state. The contest is a statewide effort sponsored by the NDDOT and the North Dakota Safety Council and is part of continued efforts to protect teens from injury or loss of life due to motor vehicle crashes. Carol Thurn with the NDDOT Safety Division presented Ensign with his award.
