Highway maintenance project to begin July 9 on Bismarck Expressway

Beginning Wednesday, July 9, crews will be conducting a pavement project on Bismarck Expressway from Washington Street to East Rosser Avenue.

All work being done on the project will occur during non-peak traffic hours from 6:30 p.m. to 6:30 a.m. Monday through Friday. Work is also expected to occur all day Sunday, July 13.

During Construction:

- Speeds will be reduced during the non-peak hours when work is being conducted
- Traffic lanes will be reduced, with frequent changes throughout the project.
- Motorists should watch for trucks entering and exiting the work zone
- Flaggers will be present

The road will be open to normal width and speed limits during the day Monday through Saturday.

The project is expected to be completed in mid-July.
