## **Construction begins Monday on ND Highway 10 between Casselton and the Raymond Interchange near West Fargo**

Construction will begin Monday, August 25, on ND Highway 10 between Casselton and the Raymond Interchange near West Fargo for a chip sealing project. Throughout the project there will be oil and gravel on the roadway as well as temporary lane closures.

During Construction:

- Speeds will be reduced
- A width restriction of 12 feet will be in place
- Flaggers and pilot cars will be present as needed
- Motorists may experience delays
- Oil and gravel may be present on the roadway

The project is expected to be complete in early-September.
