Construction begins Friday on US Highway 83 on the Snake Creek Embankment south of Garrison

The Corps of Engineers will begin working on the Snake Creek Embankment on Friday, September 19. The Snake Creek Embankment is located on US Hwy 83 between Lake Sakakawea and Snake Creek south of Garrison.

During the project traffic will be shifted to the west side of the roadway.

During construction:

- Northbound and southbound traffic will be reduced to one lane
- Speeds will be reduced through the work zone
- There will be a 12-foot width restriction in place

This project is expected to be completed this fall.
