Williston 6th Street and Main Street intersection to be reduced to one lane on Monday, August 24

On Monday, August 24, the 6th Street and Main Street intersection in Williston will be temporarily reduced to one lane to allow crews to perform utility work. This is part of the Main Street Reconstruction project includes replacement of storm drains, sewer, water, sidewalks, landscaping and signal lights.

During construction:

- A flagger will be in place to direct traffic through the intersection

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements to enhance traffic movement.
