Main Street and 5th Street intersection in Williston to reopen today; 6th Street intersection to temporarily close

Beginning today, Wednesday, September 16, the 5th Street and Main Street intersection in Williston is expected to reopen to traffic. However, the intersection of 6th Street and Main Street will temporarily close to allow crews to continue work. This is part of the Main Street Reconstruction project which includes replacement of storm drains, sewer, water, sidewalks, landscaping and signal lights.

Additional information regarding this project will be released throughout the construction season.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement.
