

## **Construction begins Monday, April 4 on ND Highway 23 between US 83 and Junction ND 28 near Ryder**

Construction begins Monday, April 4 on ND Highway 23 between US 83 and Junction ND 28 near Ryder. Work will consist of widening the shoulders and adding passing lanes as well as culvert installation. The existing roadway will be fully reconstructed in certain areas.

During construction:

- Speeds will be reduced through work area
- A width restriction of 15 feet will be in place
- Flaggers and pilot car will be present when required
- Motorists may experience delays
- There may be oil on the roadway
- Traffic will be shifted onto a temporary roadway with a gravel surface when needed
- Motorists may consider using an alternate route if possible

The project is expected to be complete this fall.
