

The purpose of this easement is to grant to the state of North Dakota, for the use and benefit of NDDOT, the right to remove material for construction purposes, deposit waste from said construction excavation, and perform such maintenance as may be necessary to construct and maintain a _____ over and across adjacent right of way.

The Grantor(s) herein specifically give _____ to the Grantee the right of ingress and egress during the period of construction and maintenance of such period thereafter as may be necessary; and does hereby release the state of North Dakota, its successors and assigns, from all claims for any and all damages resulting to the lands through and across which the parcel of land hereby conveyed is located by reason of such construction and maintenance and the removal of materials from the premises hereby covered and from the uses incident thereto.

EXECUTED the date last below signed.
