

List of Appendixes

Appendix A

References

Appendix B

Figure B-1	Project Base Map
Figure B-2	South Alignment Alternative, Alignment Through Ray
Figure B-3	South Alignment Alternative, Berthold Option
Figure B-4	South Alignment Alternative, Alignment Through Stanley
Figure B-5	Location of Potentially Impacted Structures
Figure B-6	North Alignment Alternative, Alignment Through Ross
Figure B-7	North Alignment Alternative, Berthold Option
Figure B-8	Location of Prime Farmland
Figure B-9	Location of Potentially Impacted Utilities Within the Existing Right-Of-Way
Figure B-10	Location of Select Environmental Features
Figure B-11	Piping Plover Critical Habitat
Figure B-12-13	Super 2 Alternate - Highway 2 Passing Lane Locations
Figure B-14	Super 2 Alternative – Typical Section
Figure B-15	Super 2 Alternative – Transition Areas
Figure B-16	McLeod Lake
Figure B-17	Paulson Creek
Figure B-18-23	White Earth River Valley
Figure B-24-26	Little Knife River
Figure B-27	Palermo Wildlife Management Area
Figure B-28	Fuller Coulee

Appendix C

ROW Table	ROW Needs for the US 2 Build Alternatives
-----------	---

Appendix D

Table D-1	Bridge Structures Along US 2
Table D-2	Race by State, County and City: 2000
Table D-3	Distribution of Prime Farmland in the Corridor
Table D-4	Structures Impacted by the South Alignment Alternative
Table D-5	Structures Impacted by the North Alignment Alternative
Table D-6	Structures Impacted by the Selective North-South Alignment Alternative
Table D-7	Structures Impacted by the Complete Reconstruction Alternative
Table D-8	Inventory of Utilities within US Highway 2 Project Corridor
Table D-9	Noise Abatement Criteria
Table D-10	Typical Constituent of Concentrations in Highway Runoff
Table D-11	Direct Wetland Impacts By Alternative
Table D-12	Easement Wetland Impacts Within the Proposed ROW by Alternative
Table D-13	Native Prairie Impacts By Alternative
Table D-14	Estimate Stem Count Impacts to Trees
Table D-15	Upland Forest Impacts
Table D-16	Federally Listed Threatened and Endangered Species Mountrail, Ward, and Williams Counties, ND
Table D-17	Jurisdictional Wetland Impacts (Direct)
Table D-18	Tribal Correspondence

Section 4(F)

Final Section 4(f) Evaluation	
Attachment 1	Easement Wetland Impact Table
Attachment 2	Wetland Conservation Easement Locations
Attachment 3	Easement and Noneasement Wetland Impacts by Alternative
Attachment 4	Sketch Map of Site 32WI462
Attachment 5	Wetland Avoidance Areas
