## Project AC-HPP-TIP-SS-6-066(012)137, Drayton Bridge

Pursuant to the Davis-Bacon and Related Acts (DBRA), the ***Minnesota Department of Labor and Industry Prevailing Wages for State Funded Construction Projects (Highway and Heavy Prevailing Wage)*** and the ***Federally Funded Construction Contracts Special Provisions Division A - Labor (February 1, 2006)***, contained in the contract proposal, apply only to that portion of the project located within the boundaries of the State of Minnesota up to and including pier 32. The ***Labor Rates From U. S. Department of Labor (Decision No. ND20080002)***, contained in the contract proposal, apply only to that portion of the project located within the boundaries of the State of North Dakota up to pier 32.

All payroll forms and related Statements of Compliance must be submitted to the North Dakota Department of Transportation (NDDOT), using the format required by NDDOT. Should a wage dispute arise on the Minnesota portion of the project, the contractor will be asked to provide the additional information required under the Minnesota Department of Transportation's (MNDOT's) labor compliance program.

The provisions of Section XI, "Subcontracting Part of This Contract," of the February 1, 2006, special provision are deleted; and the provisions of the North Dakota Standard Specifications for Construction regarding subcontract provisions are inserted therein.
