## **EXPEDITE 5.11A UPGRADE**

9/05/2012

The North Dakota Department of Transportation will be migrating to a new version of Expedite bidding software. The upgrade will be mandatory for the October 19, 2012 bid opening.

Contractors must use the new version of Expedite on the October 19, 2012 bid opening in order to open the October 19, 2012 Expedite project files.

The Department urges all contractors to perform this upgrade as early as possible to avoid any problems.

Expedite 5.11A is available on the Departments web site at <http://www.dot.nd.gov/business/bidinfo.htm> and the Bid Express web site at [www.bidx.com](http://www.bidx.com).
