

**FARGO-MOORHEAD
METROPOLITAN COUNCIL OF GOVERNMENTS**

REQUEST FOR PROPOSALS (RFP)

PROJECT NO. 2023-208

West Metro Perimeter Highway Study
(Fargo-Moorhead Metropolitan Area)

April, 2023

APPROVED:

Cindy Gray
Metro COG, Executive Director

REQUEST FOR PROPOSALS (RFP)

The Fargo-Moorhead Metropolitan Council of Governments (Metro COG) requests proposals from qualified consultants for the following project:

West Metro Perimeter Highway Study

Qualifications based selection criteria will be used to analyze proposals from responding consultants. The most qualified candidates will be invited to present an in-person, virtual, or hybrid interview. Upon completion of technical ranking and interviews, Metro COG will enter into negotiations with the top ranked firm. **Sealed cost proposals shall be submitted with the RFP.** The cost proposal of the top ranked firm will be opened during contract negotiations. Those firms not selected for direct negotiations will have their unopened cost proposals returned. Metro COG reserves the right to reject any or all submittals. This project will be funded, in part with federal transportation funds and has a not-to-exceed budget of **\$250,000**.

Interested firms can request a full copy of the RFP by telephoning 701.532.5100, or by e-mail: metrococg@fmmetrococg.org. Copies will be posted on the North Dakota Department of Transportation QBS website (<https://www.dot.nd.gov>) and are also available for download in .pdf format at www.fmmetrococg.org.

All applicants must be prequalified with the North Dakota Department of Transportation (NDDOT). If not prequalified with the NDDOT, applicants will be required to submit a completed Standard Form 330 with their submittal of information.

All proposals received by **4:30 p.m. (Central Time) on Friday May 19, 2023** will be given equal consideration. Respondents must submit one (1) PDF of the proposal, and one (1) sealed hard copy of the cost proposal. The full length of each proposal shall not exceed thirty-five (35) pages; including any supporting material, charts, or tables.

The sealed cost proposals shall be shipped to ensure timely delivery to the contact defined below:

Dan Farnsworth
Fargo-Moorhead Metropolitan Council of Governments
Case Plaza, Suite 232
One 2nd Street North
Fargo, ND 58102
farnsworth@fmmetrococg.org
701-532-5106

Fax versions will not be accepted as substitutes for the sealed cost proposal. Once submitted, the proposals will become property of Metro COG.

Note: This RFP can be made available in alternative formats for persons with disabilities by contacting Savanna Leach, Office Manager at 701.532.5100 or leach@fmmetrococg.org.

Note: Throughout this RFP, Metro COG may be referred to as 'Client' and the consulting firm may be referred to as 'Consultant', 'Contractor', or 'Firm'.

I AGENCY OVERVIEW

The Fargo-Moorhead Metropolitan Council of Governments (Metro COG) serves as the Council of Governments (COG) and Metropolitan Planning Organization (MPO) for the greater Fargo, North Dakota – Moorhead, Minnesota metropolitan area. As the designated MPO for the Fargo-Moorhead Metropolitan Area, Metro COG is responsible under federal law for maintaining a continuous, comprehensive, and coordinated transportation planning process.

Metro COG is responsible, in cooperation with the North Dakota and Minnesota Departments of Transportation (NDDOT and MnDOT, respectively) and our local planning partners, for carrying out the metropolitan transportation planning process and other planning issues of a regional nature. Metro COG represents eleven cities and two counties that comprise the Metro COG region in these efforts.

II PROJECT BACKGROUND AND OBJECTIVE

As the Fargo-Moorhead metropolitan area continues to grow, traffic volumes continue to increase on the interstate system (I-29 and I-94), as well as other urban corridors. A bypass corridor or 'perimeter highway' could alleviate traffic volumes through the Fargo-Moorhead metro area, cut down on trip lengths, and provide alternate routing options.

Metro COG is currently completing the Interstate Operations Analysis which analyzes current and projected traffic along the interstate system within the Fargo-Moorhead metropolitan area. As part of this study, a preliminary look at projected traffic volumes on a west metro perimeter highway found that this corridor would be one of the most heavily traveled highways in Cass County.

In addition, a large flood control project, the FM Area Diversion, is currently underway which is constructing a channel west of the metro area. As part of this project, land has been acquired for the FM Area Diversion project. Purchased land adjacent to the channel should be sufficient for other uses such as a highway. With unneeded land being sold back in the near future, it is imperative to analyze whether a west metro perimeter highway is warranted and feasible in the near and/or long-term horizon.

The objective of this planning study (project) is to analyze the need and feasibility of a west metro perimeter highway, develop layouts, alternatives, and planning level cost estimates, determine needed right-of-way, and develop an implementation strategy.

A map on the following page shows the location of the study area.

Figure 1 - Study Area Map

III SCOPE OF WORK AND PERFORMANCE TASKS

Outlined below is the scope of work that will guide development of the West Metro Perimeter Highway Study. Metro COG has included the following scope of work to provide interested Consultants with insight into project intent, context, coordination, responsibilities, and other elements to help facilitate proposal development.

This outline is not necessarily all-inclusive. The Consultant may include in the proposal any additional performance tasks or the modification of the tasks listed below that will integrate approaches to successfully complete the project. At a minimum, the Consultant is expected to complete the following tasks as part of this project:

Task 1 - Project Management and Coordination

This task involves activities required to manage the project including staff, equipment and documentation. It also includes the preparation of monthly progress reports, documenting travel and expense receipts, and preparing and submitting invoices for reimbursement. In addition, this task includes progress meetings with Metro COG. It should be assumed that progress meetings will occur at least monthly and as needed in between.

The Consultant will assign a single person to serve through the life of the contract as Consultant Project Manager ("PM"). The PM must be the person identified in the selected firm's proposal and may not be changed without prior written approval of Metro COG. The PM is responsible for overall project management necessary to ensure the satisfactory completion of the West Metro Perimeter Highway Study, on-time and on-budget, in accordance with the scope of services. The PM will serve as a single point of contact and will be expected to ensure the Consultant team is properly managed, adequate resources are available, submittals are timely, quality control processes are utilized for maximum benefit, and invoices are paid in a timely fashion.

The PM will submit monthly invoices with documentation acceptable to Metro COG throughout the life of the contract. Invoices must include the monthly progress report, a breakout of activities by task, employee hours for those tasks, and any supportive documentation for expenses. All invoice submittals, including progress reports, and any supportive materials shall be submitted to the Metro COG project manager no later than the 2nd Thursday of the month. This is to ensure invoices are processed in a timely fashion.

Task 2 – Existing & Planned Conditions

The Consultant shall gather and analyze existing and planned conditions relative to the study area. Planned conditions will entail conditions which will be in-place upon completion of the FM Area Diversion. Metro COG and applicable jurisdictions can aid in these efforts by providing relevant information where it exists. All other information necessary to accomplish the goals of the Existing & Planned Conditions task will need to

be compiled by the Consultant. (Note – engineering services such as surveying and geotechnical analysis are not eligible for Metro COG reimbursement; therefore, such datasets will need to be collected through desk review research).

Existing conditions should include but is not limited to:

- Roadways within study area
- Roadway cross sections & rights of way
- Features such as rivers, drains, utilities, and railroads
- Utilize existing AADTs and truck counts
- Potential ADT counts and/or turning movement counts at up to four locations if deemed necessary during the study
- Existing and proposed bicycle/pedestrian infrastructure
- Metro Flood Diversion Authority-owned land
- Environmental data (wetlands, etc.)
- Existing and proposed land use
- Jurisdictional authority (roadways, access management, land use, jurisdictional & extraterritorial boundaries, etc.)

Planned conditions should include but is not limited to:

- FM Diversion cross sections
- FM Diversion bridges & bridge layouts
- FM Diversion features such as service roads, structures, etc.
- Future Cass County roadway/bridge plans
- Planned recreational facilities (Fargo-Moorhead Greenway Recreation Master Plan)

The Consultant should also review relevant documents and studies related to this project. Special attention should be given to Metro COG's Interstate Operations Analysis which is scheduled for completion in the spring of 2023. Other relevant studies include the 2018 Cass County Comprehensive & Transportation Plan, the 2045 Fargo-Moorhead Metro Transportation Plan, Fargo-Moorhead Greenway Recreation Master Plan, and the 2022 Fargo-Moorhead Bicycle & Pedestrian Plan.

Task 3 – Community Engagement

Community engagement will include the following:

Study Review Committee Meetings

Development of this study will be guided by a Study Review Committee (SRC) who will provide oversight and input into the study process, methodology, parameters of alternatives, and overall findings and recommendations. The Consultant should propose the quantity, timing, and content of these meetings.

The Consultant will be responsible for the preparation and coordination of all information, documents, and agendas for the SRC. The Consultant will be expected to distribute materials to the SRC in a timely manner, no less than three business days prior to the meetings. Metro COG and the Consultant will work together in coordinating and scheduling SRC meetings. The Consultant is also responsible for the recording of meeting minutes, which should be submitted to Metro COG's project manager and will serve as documentation of the SRC's guidance and decisions.

Public Involvement

The Consultant shall propose an approach for public involvement which shall be in accordance with Metro COG's Public Participation Plan (see recently adopted PPP update at https://fmmetrocog.org/application/files/4016/7277/3608/2022_PPP_-_Final_Policy_Board_Review.pdf). The Consultant, in cooperation with Metro COG and local agencies, will facilitate all public engagement activities, and should propose the number, type, and strategy for each public involvement effort.

Please note that all public notices, mailings, and social media boosts, etc. shall be paid for out of the project budget. Metro COG's website will be used to host the project webpage, and Metro COG staff will work with the Consultant to keep the website up-to-date with content provided by the Consultant team.

Stakeholder Outreach

In conjunction with Metro COG and the SRC, the Consultant shall develop a list of stakeholders which could be impacted by a proposed west metro perimeter highway. These stakeholders could include, but not be limited to: the cities of Argusville, Harwood, and Horace, the associated townships, BNSF, Rush River Water Resource District, Maple River Water Resource District, SE Cass Water Resource District, and any other applicable stakeholders.

Task 4 – Purpose and Need

The Consultant shall work with Metro COG and the SRC in developing a Purpose and Need Statement for inclusion within the study.

Task 5 – Travel Analysis

Using the Fargo-Moorhead metro area travel demand model (TDM) and other analysis tools, Metro COG's recent Interstate Operations Analysis analyzed projected use of a west metro perimeter highway for both year 2045 and a full buildout scenario. The Consultant should utilize the TDM results provided by the Interstate Operations Analysis as a basis for travel analysis in this study. The Consultant should also use origin-destination tools such as StreetLight to analyze the origins and destinations of existing trips to inform the potential demand for the perimeter highway.

The Consultant should determine existing and projections of future ADTs and truck volumes for key roadways which will intersect the west metro perimeter highway, including the north and south termini of the perimeter highway.

Other methods and traffic analysis tools may be necessary to determine future travel demand, the necessary roadway capacity and necessary intersection and interchange layouts.

The Consultant should plan to use 2045 as the future year planning horizon (as well as a full buildout scenario). However, the Fargo-Moorhead travel demand model (TDM) is currently being updated which will be developed for the 2050 planning year. If the 2050 TDM is developed in time for this study the 2050 TDM should be utilized instead of the 2045 TDM.

Task 6 – Development of Alternatives

The Consultant will analyze the future conditions of a No Build alternative. This alternative should look at the impact the absence of a west metro perimeter highway will have on the interstate system through the Fargo-Moorhead metro area as well as other routes. This alternative should also include impacts on the interstate system due to construction and incidents on I-94 and/or I-29 that would result in lane closures or an entire shutdown of the interstate(s).

Two phases of alternative analysis should take place as part of this study. The first phase should be a 'high elevation' alignment analysis which shall look at up to two alternate alignments north of I-94 and up to two alternative alignments south of I-94. Generally, these alignment alternatives should be located within the study area as shown in Figure 1, however there might be the possibility for an alignment alternative to be located outside of the study area. Alternative alignments should be developed in cooperation with the SRC.

Once alternative alignments have been developed, these alignments should be analyzed for feasibility. This feasibility analysis should include the preliminary alignment shown in Figure 1. In cooperation with the SRC and feedback from stakeholders and the public, a recommended alternative should be brought forward for further analysis which will be the second phase of alternative analysis.

As part of the second phase of alternative analysis, the Consultant should take the recommended alternative developed in the first phase and develop sub-alternatives where necessary. Sub-alternatives should be developed where the alignment connects to I-29 and I-94. Other sub-alternatives may also be necessary where the alignment intersects key roadways, railroads, FM Area Diversion bridges, or any other features. These sub-alternatives should be vetted through the SRC.

As part of this task, environmental and social impacts (including environmental justice area impacts) should be evaluated and planning level cost estimates shall be developed.

The Consultant shall work jointly with Metro COG and the SRC in development of the alternatives. As part of this task, the Consultant will prepare planning level cost estimates for the alternatives and sub-alternatives.

Task 7 – Right-of-way Needs

Based on the alternatives which will be considered as part of this study, the Consultant shall determine the right-of-way required for the alternatives and sub-alternatives. This shall include planning-level costs estimates. The corridor's right-of-way adjacent to the FM Area Diversion is owned by the Metro Flood Diversion Authority. However, some alternatives may require right-of-way not owned by the Diversion Authority. Meanwhile, the corridor's right-of-way outside of FM Diversion area will likely be a mix of county, township, and privately-owned property.

The right-of-way needs analysis is a crucial part of this study as the Diversion Authority may be selling back unneeded right-of-way in future years. This study should look at right-of-way needs both into the planning year of 2045 as well as corridor preservation needs beyond 2045, should a potential roadway widening project be justified in the far-term.

Task 8 – Implementation Plan

An implementation plan shall be developed to determine the phasing of both right-of-way acquisition as well as construction timing of various portions of the west metro perimeter highway. Considerations in this implementation plan could include FM Area Diversion construction, future land use needs, regional traffic needs (including future traffic on I-29 & I-94), funding, and more. In addition, the implementation plan shall determine future ownership of the west metro perimeter highway.

The implementation plan should also include recommended access control along the proposed west perimeter highway corridor as well as criteria jurisdictions can use to limit urban sprawl in vicinity of the corridor.

The implementation plan shall also include grant funding opportunities including, but not limited to: RAISE grant, INFRA grant, RURAL grant, and MEGA grant.

Task 9 – Draft Report

Upon completion of the aforementioned tasks, the Consultant shall provide a draft report for review by the SRC, stakeholders, and public. The report shall include but not be limited to: existing conditions information, the study's purpose and need, public involvement information and results, alternative layouts and analysis, planning level cost estimates, right-of-way needs, implementation, and pertinent maps and graphics.

The report shall include an appendix. Meeting summaries, public involvement results, and technical analysis should be included in the appendix of the report.

Task 10 – Final Report

Once comments on the draft report have been received and addressed, the Consultant shall assemble the final report. The final report shall be in PDF format.

Task 11 – Adoption Process

As part of the study's adoption process, presentations will be made to local boards and committees. The Consultant should budget for up to four presentations of the final study to local boards and committees.

NOTE: While under contract, if the Consultant wishes to modify or include additional tasks deemed necessary to complete the study, this must be agreed to by Metro COG before issuing the notice to proceed.

IV IMPLEMENTATION SCHEDULE

1) Consultant Selection

Advertise for Consultant Proposals	approximately 4/21/2023
Due Date for Proposal Submittals (by 4:30pm)	5/19/2023
Review Proposals/Identify Finalists	5/22/2023 – 5/26/2023
Interview Finalists	between 5/31/2023 – 6/7/2023
Metro COG Board Approval/Consultant Notice	6/15/2023
Contract Negotiations	6/16/2023 – 6/23/2023
Signed Contract	approximately 6/26/2023
QBS Submittal & Approval (between NDDOT & Metro COG)	6/26/23 – 7/7/23
Notice to Proceed*	approximately 7/10/2023

***Notice to Proceed shall not be issued until the Consultant has provided all materials required for contracting, including, but not limited to, the Proposed Sub-Consultant Request form (SFN 60232 (9-2016) and Prime Consultant Request to Sublet form (SFN 60233 (9-2019) form, if applicable, and the Qualifications Based Selection documentation has been fully compiled by Metro COG and submitted to and approved by the North Dakota Department of Transportation.**

2) Project Development (Major Milestones)

Project Kick-off	July 2023
Plan Development	July 2023 – March 2024
Final Draft of Study	April 2024
Final Completion of Study	May 2024
Presentations to committees and boards	June - July 2024
Final Invoices Received	July 2024

V EVALUATION AND SELECTION PROCESS.

Selection Committee. The Client will establish a multijurisdictional selection committee to select a Consultant. The Selection Committee will likely consist of staff from Metro COG, Cass County, the City of Horace, and any other applicable stakeholders.

The Consultant selection process will be administered under the following criteria:

- 20% - Understanding of study objectives and local/regional issues
- 20% - Proposed approach, work plan, and management techniques
- 20% - Experience with similar projects
- 20% - Expertise of the technical and professional staff assigned to the project
- 15% - Current workload and ability to meet deadlines
- 5% - Inclusion of DBE/MBE firm on project team

The Selection Committee, at the discretion of the Client and under the guidance of NDDOT policy, will entertain formal in-person or virtual presentations for the top candidates to provide additional information for the evaluation process. The presentations will be followed by a question-and-answer period during which the committee may question the prospective Consultants about their proposed approaches.

A Consultant will be selected on June 15th, 2023 based on an evaluation of the proposals submitted, the recommendation of the Selection Committee and approval by the Metro COG Policy Board.

The Client reserves the right to reject any or all proposals or to waive minor irregularities in said proposal, and reserves the right to negotiate minor deviations to the proposal with the successful Consultant. The Client reserves the right to award a contract to the firm or

individual that presents the proposal, which, in the sole judgement of the Client, best accomplishes the desired results.

The RFP does not commit the Client to award a contract, to pay any costs incurred in the preparation of the contract in response to this request or to procure or contract for services or supplies. The Client reserves the right to withdraw this RFP at any time without prior notice.

All proposals, whether selected or rejected, shall become the property of the Client.

VI PROPOSAL CONTENT

The purpose of the proposal is to demonstrate the qualifications, competence, and capacity of the Consultant seeking to provide comprehensive services specified herein for the Client, in conformity with the requirements of the RFP. The proposal should demonstrate qualifications of the firm and its staff to undertake this project. It should also specify the proposed approach that best meets the RFP requirements. The proposal must address each of the service specifications under the Scope of Work and Performance Tasks.

The Client is asking the Consultant to supply the following information. Please include all requested information in the proposal to the fullest extent practical.

- 1) **Contact Information.** Name, telephone number, email address, mailing address and other contact information for the Consultant's Project Manager.
- 2) **Introduction and Executive Summary.** This section shall document the Consultant name, business address (including telephone, email address(es)), year established, type of ownership and parent company (if any), project manager name and qualifications, and any major facts, features, recommendations or conclusions that may differentiate this proposal from others, if any.
- 3) **Work Plan and Project Methodology.** Proposals shall include the following, at minimum:
 - a) A detailed work plan identifying the major tasks to be accomplished relative to the requested study tasks and expected product as outlined in this RFP;
 - b) A timeline for completion of the requested services, including all public participation opportunities and stakeholder meetings, identifying milestones for development of the project and completion of individual tasks.
 - c) List of projects with similar size, scope, type, and complexity that the proposed project team has successfully completed in the past.

- d) List of the proposed principal(s) who will be responsible for the work, proposed Project Manager and project team members (with resumes).
 - e) A breakout of hours for each member of the team by major task area, and an overall indication of the level of effort (percentage of overall project team hours) allocated to each task. Note that specific budget information is to be submitted in a sealed cost proposal as described below in Section VIII. General Proposal Requirements.
 - f) A list of any subcontracted agencies, the tasks they will be assigned, the percent of work to be performed, and the staff that will be assigned.
 - g) List of client references for similar projects described within the RFP.
 - h) Disadvantaged Business Enterprise (DBE) and/or Minority Business Enterprise (MBE) Firms, if applicable.
 - i) Ability of firm to meet required time schedules based on current and known future workload of the staff assigned to the project.
- 4) **Signature.** Proposals shall be signed by an authorized member of the firm/project team.
- 5) **Attachments.** Review, complete, and submit the completed versions of the following RFP Attachments with the proposal:

Exhibit A - Cost Proposal Form (as identified in VIII 1) – Submit as sealed hard copy

Exhibit B – Federal Clauses

Exhibit C – SFN 60232: Proposed Sub-Consultant Request

VII SUBMITTAL INFORMATION

Proposals shall be submitted in PDF format. Sealed cost proposals shall be submitted as a hard copy. Cost proposals should be shipped to ensure timely delivery to the contact as defined below:

Dan Farnsworth
Transportation Planner
Fargo-Moorhead Metropolitan Council of Governments
Case Plaza, Suite 232
One 2nd Street North
Fargo, ND 58102-4807
farnsworth@fmmetrocog.org

All proposals received by 4:30 p.m. on Friday, May 19, 2023 at Metro COG's office will be given equal consideration. Minority, women-owned and disadvantaged business enterprises are encouraged to apply. Respondents must submit one (1) PDF copy of the proposal. The full length of each proposal should not exceed thirty-five (35) pages; including any supporting material, charts, or tables.

The Consultant may ask for clarifications of the RFP by submitting written questions to the Metro COG project manager identified above.

VIII GENERAL RFP REQUIREMENTS.

- 1) Sealed Cost Proposal.** All proposals must be clearly identified and marked with the appropriate project name, inclusive of a separately sealed cost proposal per the requirements of this RFP. Cost proposals shall be based on an hourly "not to exceed" amount and shall follow the general format as provided within Exhibit A of this RFP. Metro COG may decide, in its sole discretion, to negotiate a price for the project after the selection committee completes its final ranking. Negotiation will begin with the Consultant identified as the most qualified per requirements of this RFP, as determined in the evaluation/selection process. If Metro COG is unable to negotiate a contract for services negotiations will be terminated and negotiations will begin with the next most qualified Consultant. This process will continue until a satisfactory contract has been negotiated. The sealed cost proposal is required to include the following documentation:
 - a. Documentation from the ND Secretary of State detailing the prime consultant is in good standing and is licensed to do business in the State of North Dakota**
 - b. Documentation that the prime consultant is registered with the ND Board of Registration**
 - c. Documentation showing registration with the federal System for Award Management (SAM.gov) that the prime consultant has not been suspended, debarred, voluntarily excluded, or deterred ineligible**
- 2) Consultant Annual Audit Information for Indirect Cost.** Consulting firms proposing to do work for Metro COG must have a current audit rate no older than 15 months from the close of the firms Fiscal Year. Documentation of this audit rate must be provided with the sealed cost proposal. Firms that do not meet this requirement will not qualify to propose or contract for Metro COG projects until the requirement is met. Firms that have submitted all the necessary information to Metro COG and are waiting for the completion of the audit will be qualified to submit proposals for work. Information submitted by a firm that is incomplete will not qualify. Firms that do not have a current cognizant Federal Acquisition Regulations (FARs) audit of indirect cost rates must provide this audit prior to the interview. **This documentation should be attached with the sealed cost proposal. The submitted Indirect Rate**

MUST match the Indirect Rate on all invoicing.

- 3) Debarment of Suspension Certification and Certification of Restriction on Lobbying.** See Exhibit B, Federal Clauses regarding Debarment of Suspension and Restriction on Lobbying.
- 4) Respondent Qualifications.** Respondents must submit evidence that they have relevant past experience and have previously delivered services similar to the requested services within this RFP. Each respondent may also be required to show that similar work has been performed in a satisfactory manner and that no claims of any kind are pending against such work. No proposal will be accepted from a respondent whom is engaged in any work that would impair his or her ability to perform or finance this work.
- 5) Disadvantaged Business Enterprise.** Pursuant to Department of Transportation policy and 49 CFR Part 23, Metro COG supports the participation of DBE/MBE businesses in the performance of contracts financed with federal funds under this RFP. Consultants shall make an effort to involve DBE/MBE businesses in this project. If the Consultant is a DBE/MBE, a statement indicating that the business is certified DBE/MBE in North Dakota or Minnesota shall be included within the proposal. If the Consultant intends to utilize a DBE/MBE to complete a portion of this work, a statement of the Subconsultant's certification shall be included. The percent of the total proposed cost to be completed by the DBE/MBE shall be shown within the proposal. Respondents should substantiate (within proposal) efforts made to include DBE/MBE businesses.
- 6) US DOT Policy Statement on Bicycle and Pedestrian Accommodations.** Consultants are advised to review and consider the *US DOT Policy Statement on Bicycle and Pedestrian Accommodation* issued in March of 2010 when developing written proposals.
- 7) North Dakota Department of Transportation Consultant Administration Services Procedure Manual.** Applicants to this Request for Proposal are **required** to follow procedures contained in the *NDDOT Consultant Administration Services Procedure Manual*, which includes prequalification of consultants. This Manual may be found on the NDDOT website at www.dot.nd.gov/manuals/environmental/proceduremanual.pdf.

IX CONTRACTUAL INFORMATION.

- 1) The Client reserves the right to reject any or all proposals or to award the contract to the next most qualified firm if the successful firm does not execute a contract within forty-five (45) days after the award of the proposal. The Client will not pay for any information contained in proposals obtained from participating firms.
- 2) The Client reserves the right to request clarification on any information submitted

and additionally reserves the right to request additional information of one (1) or more applicants.

- 3) Any proposal may be withdrawn up until the proposal submission deadline. Any proposals not withdrawn shall constitute an irrevocable offer for services set forth within the RFP for a period of ninety (90) days or until one or more of the proposals have been approved by the Metro COG Policy Board.
- 4) If, through any cause, the Consultant shall fail to fulfill in a timely and proper manner the obligations agreed to, the Client shall have the right to terminate its contract by specifying the date of termination in a written notice to the firm at least ninety (90) working days before the termination date. In this event, the firm shall be entitled to just and equitable compensation for any satisfactory work completed.
- 5) Any agreement or contract resulting from the acceptance of a proposal shall be on forms either supplied by or approved by the Client and shall contain, as a minimum, applicable provisions of the Request for Proposals. The Client reserves the right to reject any agreement that does not conform to the Request for Proposal and any Metro COG requirements for agreements and contracts.
- 6) The Consultant shall not assign any interest in the contract and shall not transfer any interest in the same without prior written consent of Metro COG.
- 7) The Consultant agrees to not start any work on the project until the Qualifications Based Selection requirements have been satisfied and approved by the NDDOT, and Metro COG has provided the consultant with a notice to proceed.**

X PAYMENTS

The selected Consultant will submit invoices for work completed to the Client. Payments shall be made to the Consultant by the Client in accordance with the contract after all required services, and items identified in the scope of work and performance tasks, have been completed to the satisfaction of the Client.

XI FEDERAL AND STATE FUNDS

The services requested within this RFP will be partially funded with funds from the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA). As such, the services requested by this RFP will be subject to federal and state requirements and regulations.

The services performed under any resulting agreement shall comply with all applicable federal, state, and local laws and regulations. In addition, this contract will be subject to the relevant requirements of 2 CFR 200.

XII TITLE VI ASSURANCES

Prospective Consultants should be aware of the following contractual ("Contractor") requirements regarding compliance with Title VI should they be selected pursuant to this RFP:

- 1) **Compliance with Regulations.** The Consultant shall comply with the regulations relative to nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations).
- 2) **Nondiscrimination.** The Consultant, with regard to the work performed by it, shall not discriminate on the grounds of race, color, national origin, sex, age, disability/handicap, or income status**, in the selection and retention of Subconsultants, including procurements of materials and leases of equipment. The Consultant shall not participate, either directly or indirectly, in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
- 3) **Solicitations for Subcontracts, Including Procurements of Materials and Equipment.** In all solicitations, either by competitive bidding or negotiation, made by the Consultant for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential Subconsultant or supplier shall be notified by the Consultant of the Consultant's obligations to Metro COG and the Regulations relative to nondiscrimination on the grounds of race, color, national origin, sex, age, disability/handicap, or income status**.
- 4) **Information and Reports.** The Consultant shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by Metro COG or the North Dakota Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Consultant shall so certify to Metro COG, or the North Dakota Department of Transportation, as appropriate, and shall set forth what efforts it has made to obtain the information.
- 5) **Sanctions for Noncompliance.** In the event of the Consultant's noncompliance with the nondiscrimination provisions as outlined herein, the Client and the North Dakota Department of Transportation shall impose such sanctions as it or the Federal Highway Administration / Federal Transit Administration may determine to be appropriate, including but not limited to:
- 6) Withholding of payments to the Consultant under the contract until the Consultant complies; or

- 7) Cancellation, termination, or suspension of the contract, in whole or in part.
- 8) **Incorporation of Title VI Provisions.** The Consultant shall include the provisions of Section XII, paragraphs 1 through 5 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto.

The Consultant shall take such action with respect to any subcontract or procurement as Metro COG or the U.S. Department of Transportation, Federal Highway Administration, may direct as a means of enforcing such provisions, including sanctions for noncompliance provided, however, that in the event a Consultant becomes involved in, or is threatened with, litigation by a Subconsultant or supplier as a result of such direction, the Consultant may request Metro COG enter into such litigation to protect the interests of Metro COG; and, in addition, the Consultant may request the United States to enter into such litigation to protect the interests of the United States.

** The Act governs race, color, and national origin. Related Nondiscrimination Authorities govern sex, 23 U.S.C. 324; age, 42 U.S.C. 6101; disability/handicap, 29 U.S.C. 790; and low income, E.O. 12898.

XIII TERMINATION PROVISIONS

The Client reserves the right to cancel any contract for cause upon written notice to the Consultant. Cause for cancellation will be documented failure(s) of the Consultant to provide services in the quantity or quality required. Notice of such cancellation will be given with sufficient time to allow for the orderly withdrawal of the Consultant without additional harm to the participants or the Client.

The Client may cancel or reduce the amount of service to be rendered if there is, in the opinion of the Client, a significant increase in local costs; or if there is insufficient state or federal funding available for the service, thereby terminating the contract or reducing the compensation to be paid under the contract. In such event, the Client will notify the Consultant in writing ninety (90) days in advance of the date such actions are to be implemented.

In the event of any termination, the Client shall pay the agreed rate only for services delivered up to the date of termination. The Client has no obligation to the Consultant, of any kind, after the date of termination. Consultant shall deliver all records, equipment and materials to the Client within 24 hours of the date of termination.

XIV LIMITATION ON CONSULTANT

All reports and pertinent data or materials are the sole property of the Client and its state and federal planning partners and may not be used, reproduced or released in any form without the explicit, written permission of the Client.

The Consultant should expect to have access only to the public reports and public files of local governmental agencies and the Client in preparing the proposal or reports. No compilation, tabulation or analysis of data, definition of opinion, etc., should be anticipated by the Consultant from the agencies, unless volunteered by a responsible official in those agencies.

XV CONFLICT OF INTEREST

No Consultant, Subconsultant, or member of any firm proposed to be employed in the preparation of this proposal shall have a past, ongoing, or potential involvement which could be deemed a conflict of interest under North Dakota Century Code or other law. During the term of this Agreement, the Consultant shall not accept any employment or engage in any consulting work that would create a conflict of interest with the Client or in any way compromise the services to be performed under this agreement. The Consultant shall immediately notify the Client of any and all potential violations of this paragraph upon becoming aware of the potential violation.

XVI INSURANCE

The Consultant shall provide evidence of insurance as stated in the contract prior to execution of the contract.

XVII RISK MANAGEMENT

The Consultant agrees to defend, indemnify, and hold harmless the Client and the state of North Dakota, its agencies, officers and employees (State), from and against claims based on the vicarious liability of the Client and the State or its agents, but not against claims based on the Client's and the State's contributory negligence, comparative and/or contributory negligence or fault, sole negligence, or intentional misconduct. The legal defense provided by Consultant to the Client and the State under this provision must be free of any conflicts of interest, even if retention of separate legal counsel for the Client and the State is necessary. Consultant also agrees to defend, indemnify, and hold the Client and the State harmless for all costs, expenses and attorneys' fees incurred if the Client or the State prevails in an action against Consultant in establishing and litigating the indemnification coverage provided herein. This obligation shall continue after the termination of this Agreement.

The Consultant shall secure and keep in force during the term of this agreement, from insurance companies, government self-insurance pools or government self-retention funds authorized to do business in North Dakota, the following insurance coverage:

1. Commercial general liability and automobile liability insurance - minimum limits of liability required are \$250,000 per person and \$1,000,000 per occurrence.
2. Workforce Safety insurance meeting all statutory limits.

3. The Client and the State of North Dakota, its agencies, officers, and employees (State) shall be endorsed as an additional insured on the commercial general liability and automobile liability policies.
4. Said endorsements shall contain a "Waiver of Subrogation" in favor of the Client and the state of North Dakota.
5. The policies and endorsements may not be canceled or modified without thirty (30) days prior written notice to the undersigned Client and the State Risk Management Department.

The Consultant shall furnish a certificate of insurance evidencing the requirements in 1, 3, and 4, above to the Client prior to commencement of this agreement.

The Client and the State reserve the right to obtain complete, certified copies of all required insurance documents, policies, or endorsements at any time. Any attorney who represents the State under this contract must first qualify as and be appointed by the North Dakota Attorney General as a Special Assistant Attorney General as required under N.D.C.C. Section 54-12-08.

When a portion of the work under the Agreement is sublet, the Consultant shall obtain insurance protection (as outlined above) to provide liability coverage to protect the Consultant, the Client and the State as a result of work undertaken by the Subconsultant. In addition, the Consultant shall ensure that any and all parties performing work under the Agreement are covered by public liability insurance as outlined above. All Subconsultants performing work under the Agreement are required to maintain the same scope of insurance required of the Consultant. The Consultant shall be held responsible for ensuring compliance with those requirements by all Subconsultants.

Consultant's insurance coverage shall be primary (i.e., pay first) as respects any insurance, self-insurance or self-retention maintained by the Client or State. Any insurance, self-insurance or self-retention maintained by the Client or the State shall be excess of the Consultant's insurance and shall not contribute with it. The insolvency or bankruptcy of the insured Consultant shall not release the insurer from payment under the policy, even when such insolvency or bankruptcy prevents the insured Consultant from meeting the retention limit under the policy. Any deductible amount or other obligations under the policy(ies) shall be the sole responsibility of the Consultant. This insurance may be in a policy or policies of insurance, primary and excess, including the so-called umbrella or catastrophe form and be placed with insurers rated "A-" or better by A.M. Best Company, Inc. The Client and the State will be indemnified, saved, and held harmless to the full extent of any coverage actually secured by the Consultant in excess of the minimum requirements set forth above.

Exhibit A – Cost Proposal Form

Cost Proposal Form – Include completed cost form (see below) in a separate sealed envelope – labeled “**Sealed Cost Form – Vendor Name**” and submit with concurrently with the technical proposal as part of the overall RFP response. The cost estimate should be based on a not to exceed basis and may be further negotiated by Metro COG upon identification of the most qualified Consultant. Changes in the final contract amount and contract extensions are not anticipated.

REQUIRED BUDGET FORMAT

Summary of Estimated Project Cost

1.	Direct Labor	Hours	x	Rate	=	Project Cost	Total
	Name, Title, Function	0.00	x	0.00	=	0.00	0.00
			x		=	0.00	0.00
			x		=	0.00	0.00
				Subtotal	=	0.00	0.00
2.	Overhead/Indirect Cost (expressed as indirect rate x direct labor)					0.00	0.00
3.	Subconsultant Costs					0.00	0.00
4.	Materials and Supplies Costs					0.00	0.00
5.	Travel Costs					0.00	0.00
6.	Fixed Fee					0.00	0.00
7.	Miscellaneous Costs					0.00	0.00
Total Cost					=	0.00	0.00

Exhibit B - Federal Clauses

Equal Employment Opportunity Clause – 41 CFR 60-1.4(a) and 2 CFR Part 200 Appendix II (C)

41 CFR 60-1.4(a)

- (a) *Government contracts.* Except as otherwise provided, each contracting agency shall include the following equal opportunity clause contained in section 202 of the order in each of its Government contracts (and modifications thereof if not included in the original contract): during the performance of this contract, the contractor agrees as follows:
- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.
 - (2) The contract will, in all solicitations or advertisements for employees placed by or no behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.
 - (3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - (4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the secretary of labor.
 - (5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the secretary of labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the secretary of labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

- (6) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the secretary of labor, or as otherwise provided by law.
- (7) The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the secretary of labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the secretary of labor as a means of enforcing such provisions including sanctions for noncompliance: *provided, however*, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

2 CFR Part 200 Appendix II (C)

- (C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Sanctions and Penalties for Breach of Contract – 2 CFR Part 200 Appendix II (A)

- (A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Termination for Cause and Convenience – 2 CFR Part 200 Appendix II (B)

- (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

Rights to Inventions Made Under a Contract or Agreement – 2 CFR Part 200 Appendix II (F)

- (F) Right to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "Funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient of subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Debarment and Suspension – 2 CFR Part 200 Appendix II (I)

- (I) Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p.235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Byrd Anti-Lobbying Amendment – 2 CFR Part 200 Appendix II (J)

- (J) Byrd Anti-Lobbying Amendment (31 U.S.C 1352) – Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Exhibit C – SFN 60232: Proposed Sub-Consultant Request

PROPOSED SUB-CONSULTANT REQUEST

North Dakota Department of Transportation, Environmental & Transportation Services
SFN 60232 (9-2016)

Sub-Consultant firms that have been contacted and agree to be listed on a Prime Consultants Project Proposal for work with NDDOT must submit original form and one copy to be attached to the Prime Consultants Proposal. This form is used for informational purposes only.
