

## **How Will I Receive My Bill -**

Previously, your bill was sent to you. Now with the new BUS application, it's available for viewing on-line. You will still pay your bill the same way as before. You'll just be receiving it in a different form (on-line).

Billing is run on the third working day of the month, after that it's available for you to view. From the Main Menu, select the Billing section's Bill History link. That will display the last billing date's month by default. Just click on the Refresh button to view the information.

If you would like to see previous months' bills, you can click on the drop down list next to the billing month field and select another billing month.
