

Where can I Find the State Fleet Rates -

To find the State Fleet rates from within the BUS system, go to the Main Menu and under the Misc. heading select the “Fleet Rates” option. If you are logged in with a user account that has administrator privileges, the “Fleet Rates” option is located on the Main Menu under the Administration heading.

The vehicle rental rates are also available (in a pdf format) from the State Fleet Services home webpage, located at:
