

How old does my vehicle have to be to qualify for Antique or Collector license plates?

Antique (Pioneer) License Plates

- Any motor vehicle (car, truck, motorcycle and motorhome) which is at least 40 years old may be permanently licensed as an antique vehicle.
- Motor vehicles registered as an antique may not be used in the routine functions of a business or farming operation.
- License plate(s) from the year in which the motor vehicle was manufactured, or in the case of military vehicles, military identification numbers, may be displayed in lieu of distinctive number antique plate(s).
 - The license plate(s) or military identification numbers must be clean, legible and approved by the division for display.
 - The license number or military identification numbers must be greater than 10,000.
- License fee for standard number antique license plates is a onetime \$10 fee.
- To apply for standard antique license plates complete [SFN 2872 Application for Certificate of Title and Registration of a Vehicle](#).
 - Check the box for “Vehicle Registration” and write “Antique” next to the option selected at the top of the form.
 - Complete the form in full and submit to the Motor Vehicle Division along with the \$10 fee for processing.
- License fee for personalized/special request antique license plates is a onetime \$100 fee.
- To apply for a personalized/special request antique license plate complete [SFN 53612 Personalized/Special Plate Request](#).
 - Complete the form in full, check the appropriate box for the plate type being requested and submit to the Motor Vehicle Division with the \$100 fee for processing.
 - Personalized/special request antique license plate fee is due each time a new plate number is ordered.

Collector License Plates

- Any motor vehicle (car, truck, motorcycle and motorhome) which is at least 25 years old may be permanently licensed as a collector vehicle.
- Motor vehicles registered as a collector vehicle can only be operated on public streets and highways for the purpose of driving to and from active entry and participation in parades, car shows, car rallies, or other public gatherings held for the purpose of displaying or selling the vehicle, and to or from service or storage facilities.
- [SFN 16783 Affidavit of Use for a Collector Motor Vehicle](#) must be completed and submitted to the Motor Vehicle Division.
 - SFN 16783 ensures the registered owner is fully aware and understands the operational restrictions associated with the collector license plate.
- License plates from the year in which the motor vehicle was manufactured may be displayed in lieu of distinctive number collector plates.
 - The license plates must be clean, legible and approved by the division for display.
 - The license number must be greater than 10,000.
- License fee for standard number collector license plates is a onetime \$60 fee.
- To apply for standard collector license plates complete [SFN 2872 Application for Certificate of Title and Registration of a Vehicle](#).
 - Check the box for “Vehicle Registration” and write “Collector” next to the option selected at the top of the form.
 - Complete the form in full and submit to the Motor Vehicle Division along with the \$60 fee for processing.
- License fee for personalized/special request collector license plates is a onetime \$160 fee.
- To apply for a personalized/special request collector license plate complete [SFN 53612 Personalized/Special Plate Request](#).
 - Complete the form in full, check the appropriate box for the plate type being requested and submit to the Motor Vehicle Division with the \$160 fee for processing.
 - Personalized/special request collector license plate fee is due each time a new plate number is ordered.
