## **Maintenance work on signal at intersection of US Hwy 2 and US Hwy 83 bypass near Minot on Wednesday**

The NDDOT will have work done on the signal system at the intersection of US Highway 2 and the US Highway 83 west bypass southwest of Minot on Wednesday, January 6. The work will take place from approximately 9 a.m. to 3 p.m. There will be traffic control and a flagger present assisting traffic through the intersection. Motorists may experience delays during this time.
