No Travel Advisory issued for Divide County in northwestern North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have issued a **No Travel Advisory** for Divide County in extreme northwestern North Dakota due to reduced visibility and icy roads creating hazardous driving conditions. Conditions are such that motorists in this area **should not travel**.

A **Travel Alert** remains in effect for portions of northwest North Dakota including the cities of Williston, Tioga, Stanley, Bowbells, and surrounding areas and south central North Dakota including Bismarck, Mandan, Flasher, Linton and surrounding areas due to areas of compacted snow and ice on the roadways. A **Travel Alert** means conditions are such that **motorists can still travel** in these areas, but should be advised of rapidly changing conditions. Motorists are encouraged to reduce speeds and drive according to the conditions.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov.
