Travel Alert issued for south central North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have issued a **Travel Alert** for portions of south central North Dakota due to reduced visibility and some areas of compacted snow or ice on roadways. The Travel Alert includes the cities of Bismarck, Mandan, Flasher, Linton and surrounding areas.

A **Travel Alert** means conditions are such that **motorists can still travel** in these areas, but should be advised of rapidly changing conditions. Motorists are encouraged to reduce speeds and drive according to the conditions.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov.
