US Highway 52 from Carrington to Harvey now OPEN

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have OPENED US Highway 52 from Carrington to Harvey. In addition ND 3, ND 30 and ND 200 in the region are also open to traffic after becoming impassable due to snow drifts and stranded vehicles.

Motorists should slow down and drive according to conditions as they may change as winds can cause snow drifts blocking roads and areas of low visibility and may be reduced to one lane or become blocked overnight. Be prepared to adjust your driving with changing road conditions.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov.
