80th Street Bridge east of Bismarck closed until further notice

The 80th Street Bridge, which crosses I-94 east of Bismarck, is closed until further notice due to structural damage caused by a vehicle hitting the bridge. 80th Street will be closed from Burleigh County Highway 10 north to 43rd Avenue. Only local traffic will be allowed on 80th Street to the bridge closure point.

The bridge will remain closed until further notice.
