Construction begins June 6 on ND Highway 24 near Fort Yates

Construction will begin Wednesday, June 6, on ND Highway 24 near Fort Yates. Work consists of widening and adding turn lanes to ND 24, BIA 31 and the approaches to Standing Rock School and Sitting Bull College. In addition, this project will add a multi-use trail and highway lighting along a portion of ND 24.

During construction:

- Speeds will be reduced
- Motorists may experience brief delays
- Flaggers and pilot cars may be present
- Oil may be present on the roadway
- Gravel may be present on the shoulders and approaches

The project is expected to be completed by the end of October.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
