## **Traffic on westbound I-94 west of Grant Marsh Bridge in Bismarck may be temporarily delayed today**

Traffic on the westbound roadway of I-94 just west of the Grant Marsh Bridge in Bismarck may be temporarily delayed throughout the day today. An over height vehicle hit and damaged the overhead sign 500 feet west of the Grant Marsh Bridge in Bismarck on I-94. Crews will be on site to remove the sign which may cause intermittent traffic delays. In addition, Exit 156 to Bismarck Expressway will be periodically closed to allow for work. Motorists are urged to use an alternate route today until work is complete. Motorists traveling on I-94 west bound through the work zone should use caution in the area, reduce speeds and be prepared to stop. Flaggers will be present directing traffic.
