## **Construction to begin on ND Highway 46 east of Gackle**

Construction will begin Tuesday, June 26, on ND Highway 46 four miles east of Gackle. Work consists of realignment of roadway due to high water.

During construction:

- Speeds will be reduced to 25 mph
- Flaggers and pilot cars may be present and motorists may have to stop and take turns
- Gravel may be present on the roadway
- Traffic reduced to one lane; motorists will be required to stop and take turns through the work zone
- A 14-foot width restriction will be in place
- Trucks will be entering and exiting the roadway

This project is expected to be completed in late September.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
