Construction project begins August 20 on 2nd Street West in Williston

A construction project on 2nd Street West from Gate Avenue to Main Street in Williston will begin Monday, August 20. Construction will include mill and asphalt overlay, curb and gutter work and installation of ADA compliant ramps.

During Construction

- Pilot cars will guide motorists through construction zone
- Flaggers may be present
- Motorists may encounter short delays
- Motorist may incur bumps in roadway transition areas, signage will be in place to alert motorists

The project is expected to be complete late fall.

Motorists should be aware of workers and equipment in close proximity and remain cautious during this traffic improvement project.
