## **Water on the roadway of ND Highway 32 in three areas north of US 2 near Lankin**

The North Dakota Department of Transportation reports that there is water on the roadway of ND Highway 32 in three areas north of US Highway 2 near Lankin.

The three areas on ND 32 include:

- Water running over the road approximately 6 miles north of US 2 junction (mile marker 169).
- Water running over the road approximately 14 miles north of US 2 junction (mile marker 178).
- Large amount of water on roadway, no cars allowed – only pickups and trucks, approximately two miles north of ND 32 junction to Fordville (mile marker 181).
- Flagger are present directing motorists.

Motorists are advised to slow down and use caution while traveling, as vehicles that leave the roadway may become immersed in water. For road information, call 511 from any type of phone or go to the website: [www.dot.nd.gov](http://www.dot.nd.gov).

Please be advised that road condition information on 511 and the travel map is updated daily from 5 a.m. until 9 p.m. CDT. The road report is based upon the information available to the NDDOT at the time of preparation and is provided solely as a public service. Conditions may vary from those reported.
