## Construction to begin on ND 22 from Lost Bridge to ND 73

Construction will begin this week on ND Highway 22 from Lost Bridge to ND Highway 73 near Mandaree. The project consists of widening and the construction of climbing and turning lanes.

During construction:

- Speeds will be reduced to 45 mph and 25 mph while on temporary roadways
- A width restriction of 10 feet will be in place
- Flaggers will be present
- Gravel surface will be present on temporary roadways

The project is expected to be complete this fall.

Rear end crashes are the most common in work zones. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution and obey flaggers and posted signs.
