ND Highway 17 closed due to water on the roadway

The North Dakota Department of Transportation (NDDOT) has closed ND Highway 17 at the bridge crossing the Red River due flooding on the roadway in Minnesota. Motorists must use an alternate route.

The following roadways are closed due to flooding:

- US Highway 81 on the south side of Minto
- ND Highway 15 at the roadway underpass in Fessenden

The following highways are affected by flood waters, but remain open to traffic, with traffic speeds reduced:

- ND 14, south of the US 2 Junction near Towner

Motorists are advised to slow down, watch for signs or flaggers and use caution, as vehicles that leave the roadway may become immersed in water.

NDDOT encourages motorists to check road conditions before traveling. For updated road information, call 511 from any type of phone or go to the Travel Information Map on our website at www.dot.nd.gov. Please be advised that road condition information on 511 and the travel map is updated daily from 5 a.m. until 9 p.m. CDT. The road report is based upon the information available to the NDDOT at the time of preparation and is provided solely as a public service. Conditions may vary from those reported.
